ACKNOWLEDGEMENT

I would like to express sincere gratitude towards my guide **Prof. Ramesha K** for providing excellent guidance, suggestions and support.

I would like to express my sincere gratitude to Director of Master of Computer Applications, **Dr. Jothimani K** for her support, inspiration and acknowledgement.

I would like to thank our beloved Principal **Dr. Mahesh Prasanna K** for his support and encouragement.

I am also greateful for the management of VCET, Puttur, for having provided all the facilities and helped in completing my project work.

I thank all the teaching and non-teaching staff members of MCA Department for their help and needed support rendered throughout the project.
